PROFESSIONALS

Your experience, expertise or network could be your entry into the world of AI.

WHAP-IP
Professionals

For Professionals Ready for Something More

You've spent years building expertise, industry knowledge and professional relationships. Now, put them to work in the world of AI, and stay relevant in a rapidly evolving business landscape

Bring your expertise, business acumen or professional network. Lucror brings the AI ecosystem and business support.

Explore AI opportunities, create additional income and build something of your own — alongside your current career.

Stay relevant. Keep evolving. Build what's next.

WHAP-IP Professionals

Criteria

- Relevant educational or professional qualifications.
- Worked in a reputed organization.
- Interest in emerging technologies and entrepreneurship.
- Recommendation from a trusted professional.

Selection

- Lucror will disclose model, criteria, existing team details, some brands, some projects and financial terms.
- If the Professional believes in Lucror & Model, he/she needs to inform Lucror and then sign the Non-Disclosure Agreement and MOU.

STUDENTS

For Talented students. Talent has no age. Neither should the opportunities

WHAP-IP
Students

A Global Platform for the Next Generation

At Lucror, we believe talent isn't defined by age or experience.

As a Gen Z-first organisation, we offer students exposure to globally leading AI solutions, business leaders, and real-world enterprise challenges.

The selected students get an opportunity to work on AI consulting, Research, market trends, GTM strategy, Marketing, Admin and support. You also get to Contribute to initiatives like GenZ Voices, bringing Gen Z perspectives to enterprises.

Bring fresh perspectives. Take ownership. Help shape the future.

Criteria

- Studying at a reputed institute or possesses “OUTSTANDING TALENT” in any specific area, Industry or Country.
- Brings curiosity, initiative and a willingness to challenge conventional thinking.
- Confident, strong communication skills and an entrepreneurial mindset.
- Demonstrate professionalism, ethical conduct and integrity.
- Recommendation letter by your reporting Professor, Teacher or Head of the College.

Selection

- Two rounds of interviews to assess talent, mindset and values, and alignment with Lucror's vision.
- A brief probation period to evaluate performance on live projects/ actual work.
- Successful completion earns a certificate of completion.
- High-performing students may be offered a long-term association with Lucror, subject to performance and suitability.

WOMEN

Your experience still matters. Your next chapter starts here.

WHAP-IP
Women

WHAP-IP to Empower “Women”

Lucror aims to create opportunities for women returning to work after a career break, mothers seeking flexibility, and women exploring entrepreneurship or independence.

Leverage your skills, experience and interests to engage with the world of AI, explore new earning opportunities and contribute meaningfully.

Criteria

- Women returning to work, seeking flexibility or Women exploring entrepreneurship.
- Relevant professional experience with a reputed organisation
- Relevant skills or willingness to learn.
- Commitment, initiative and accountability.
- Professionalism and integrity.

WHAP-IP

Gifted

Lucror's opportunity for Gifted children "GIFTED"

Lucror believes talent is GOD's gift and not made or taught in any schools, colleges, universities. One's talent and education are totally separate concepts. So, we are here to collaborate with GIFTED ones to REVEAL their talent to the global audience.

Criteria

Send us your TALENT. Exceptional talent in any specific field in a Function or Field
